

# MONROE COUNTY

HOUSING AUTHORITY

## IMPORTANT NOTICE:

HUD recently sent a notice to all Public Housing Authorities nationwide, including the MCHA, alerting them to a trending scam regarding Section 8.

Flyers advertising assistance with applying for Section 8 funding have been circulating on social media (Facebook, TikTok, & Instagram). The flyers and the website “[www.govassistance.org](http://www.govassistance.org)” are NOT legitimate. The scam’s goal is to take advantage of Section 8 applicants and obtain their personal information to use for fraudulent activity.

We encourage you to contact us with questions about application availability and remind you that the MCHA will NEVER charge you to join a waiting list.
